REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant's amendment dated 7/24/06 has overcome the cited references. The combination of Miyamoto in view of Sprang et al. and further in view of Admitted Prior Art in page 1 of the specification does not teach the feature of the diaphragm comprising a main body bonded to and entirely covering a first surface of a frame member and a covering portion bonded to and entirely covering a second surface of the same frame member, as claimed in claim 1. None of the prior art teaches the claimed feature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lan Nguyen whose telephone number is (571) 272-7121. The examiner can normally be reached on Monday through Friday, 7:30am to 4:00pm.
